ADMINISTRATION

R. G. Mitchell, Superintendent of Schools

In the Watchtower for 1948 it was my privilege to write a message of congratulation to the members of the student body. One of the sentences in that article stated, "Master yourself and you overcome your greatest obstacle to success." From the records made by the graduates of Beverly there is no question as to their ability and willingness to master themselves. During the past years the graduates have demonstrated their outstanding accomplishments in all fields of endeavor. The professions as well as the business life of our community have felt their influence.

At the end of twenty years of professional association with outstanding teachers and student body, I wish to express my sincere appreciation for this experience and extend my best wishes for the continued growth and accomplishments of the Beverly Hills School System.

R. G. Mitchell

WATCHTOWER SALUTE

Honoring the man who for twenty years has guided the destinies of Beverly Hills High School, the Watchtower salutes Superintendent R. G. Mitchell. Principal of the high school from 1940 to 1947, the imprint of his educational leadership can be distinguished everywhere in our customs and traditions. During the difficult years of World War II he served in the dual role of principal and superintendent. Then in 1947 he went a step beyond the high school to serve the entire district as superintendent. It was Superintendent Mitchell, as principal, who initiated Commencement exercises on the front terrace; Senior Holiday; the Adelpheans; the Biblians. In his first year here the Swim Gym was dedicated.

Under his aegis the district has, among other developments, enlarged its guidance services for students and parents, correlated the curricula of the elementary and high schools, begun the practice of mailing students their programs during the summer to insure the smooth opening of school, coordinated the school libraries under one supervisor, established a system of departmental examinations in the high school, provided special preparation for students taking the Subject A examination, and inaugurated the plan of interviewing alumni at their colleges to discover means of improving the education offered here.

Firmly believing in the unity of the community and its schools, Superintendent Mitchell has taken an active part in the life of the city and has served on the board of directors of the YMCA, as a trustee of the Beverly Vista Community Church, and president of the Rotary Club. Highly regarded in his profession, he has received recognition from the California Association of School Administrators, the State Department of Education, and the State Board of Education. In Superintendent Mitchell's two decades of leadership the Beverly Hills schools have attained a proud educational reputation throughout the nation. The University of California has three times awarded its Certificate of Honor to Beverly Hills High School for the scholastic supremacy of its graduates at the University. Colleges and universities across the country have given similar recognition to alumni whose attainments have proved their sound preparation.

To you, Superintendent Mitchell, the Watchtower pays tribute at this twentieth milestone, voicing the sentiment of a student body grateful for your educational vision and for your deep interest in the young people of Beverly Hills.

Beverly Hills Board of Education Administration Building

Discussing plans for a new science building for the Norman Campus are Board Members Mr. Ernest Ach, Mr. Horace Blackman, Mrs. George Seaton, president, Mrs. Byron Thalheimer, and Mr. Champ Reese.

Mr. Kenneth L. Peters, Assistant Superintendent, Curriculum; Mr. R. G. Mitchell, Superintendent; and Mr. Walter O. Willey, Assistant Superintendent

BOARD OF EDUCATION

The Beverly Hills Board of Education wants the best school system that can be built—a system of education that is second to no other in the country. The Board desires that the program of education be such that it will challenge the best of students as well as others to achieve the maximum of their individual capacities. The Board of Education believes that superior achievement should be the rule rather than the exception in Beverly Hills Schools.

PRINCIPAL

Kenneth L. Peters, Principal

A recent publication of national prominence opened with these words: "The greatness of a nation may be manifested in many ways—in its purposes, its courage, its moral responsibility, its cultural and scientific eminence, the tenor of its daily life. But ultimately the source of its greatness is in the individuals who constitute the living substance of the nation."

Approximately 360 members of the class of 1959 will don the symbol of graduation, the cap and gown, this June. As a class you must analyze your worth by assaying the purposes, courage, moral responsibility, cultural and scientific eminence, and the tenor of your day to day existence at Beverly. But that analysis is not enough. Each of you must "hold a convention of one" and determine how you measure up as an individual in the important attributes of character and academic performance.

I think it is safe to say that your educational accomplishments have been substantial. Further, there is every evidence that your physical, social, and moral development has been consistent with your objectives. The true measure of how well you have met your responsibilities as a Class and as individuals, however, can best be indicated by your accomplishments in the future.

By awarding you the diploma of graduation we have evidenced our confidence that you have met your responsibilities to date and that you are prepared to do so in the future. If you represent yourself well in your post high school experiences you will represent your Class and Beverly well. Best of luck!

Kenneth L. Peters

ADMINISTRATIVE

ASSISTANT PRINCIPAL

For the past 20 years, Mr. Harry M. Alter has been Assistant Principal of Beverly Hills High School. As head of the Guidance Office, he arranges the master program, directs the vocational guidance conference, works with the counselors in supervising student programming and takes polls from past students to see how the curriculum can be improved. Mr. Alter is Principal of the summer school and our Pioneer League Athletic Representative.

DEAN OF GIRLS

Mrs. Romaine H. Pauley has served as Beverly's Dean of Girls for the past eight years. As Dean, she advises the Girls' League, co-advises the Student Court, co-sponsors the Club Relations Board, supervises the publication of the daily bulletin, and is in charge of the school calendar. Proving her versatility, Mrs. Pauley, before becoming Dean of Girls, served as adviser to the Highlights, the weekly newspaper at Beverly.

ADMINISTRATIVE STAFF

DEAN OF BOYS

Mr. Steve Miletich, "Coach," has also proved himself worthy of his title of Dean of Boys. In this capacity, he accounts for the attendance records of all students, co-advises the Student Court and Student Council, and sponsors the Boys' League activities. Mr. Miletich came to Beverly twelve years ago as a Basketball Coach and is the President of the Southern California Basketball Officials and Vice President of the Trojan Coaches Association.

ADMINISTRATIVE ASSISTANT

To the student of Beverly, Mr. John H. Marrow is still "Coach", although, this year, he left the Physical Education Department and became Administrative Assistant. In this position, he supervises the purchasing for all phases of the educational program, administers the high school and student body budget, assists in the supervision of the Student Council, and directs school Civil Defense. This year, Mr. Marrow is the President of our own Faculty Club.

STUDENT GOVERNMENT

ASSOCIAT

Bob Kay, Student Body President

During this fall semester I have discovered that one person alone does not give a school its name and only through co-operative work with the faculty and students can anything be accomplished. I was fortunate in having a great student council behind me and they were indispensable in planning our activities and programs. But the success of these plans was due to you, the student body. Without your participation and spirit nothing would have succeeded. I will always remember the invaluable experience that I was afforded as your student body president. Thank you very much. It was an honor and privilege to serve you.

Bob Kay

ED STUDENT BODY-FALL

Bill Daniels, Student Body Vice President

This fall our student government worked diligently to provide the student body with an eventful semester. Carrying out Bob's idea, the Spirit Committee began a new tradition: Homecoming and the election of a Homecoming Queen. Due to the efforts of Phyllis and Harold the Volleyball Tournament and Sports Night were very successful. Assemblies were exceptionally good this semester, and for the first time campus clean-up was not a problem.

ASSOCIATE

Buddy Sacks, Student Body President

When you elected me ASB President, the position meant much more to me than simply the gain of a title; I regarded this confidence as an investment on your part, and I resolved to make that investment profitable by providing you with a terrific semester. Gary, Gail, all the elected officers, and I honestly tried very hard to make the spring semester of 1959 an outstanding one.

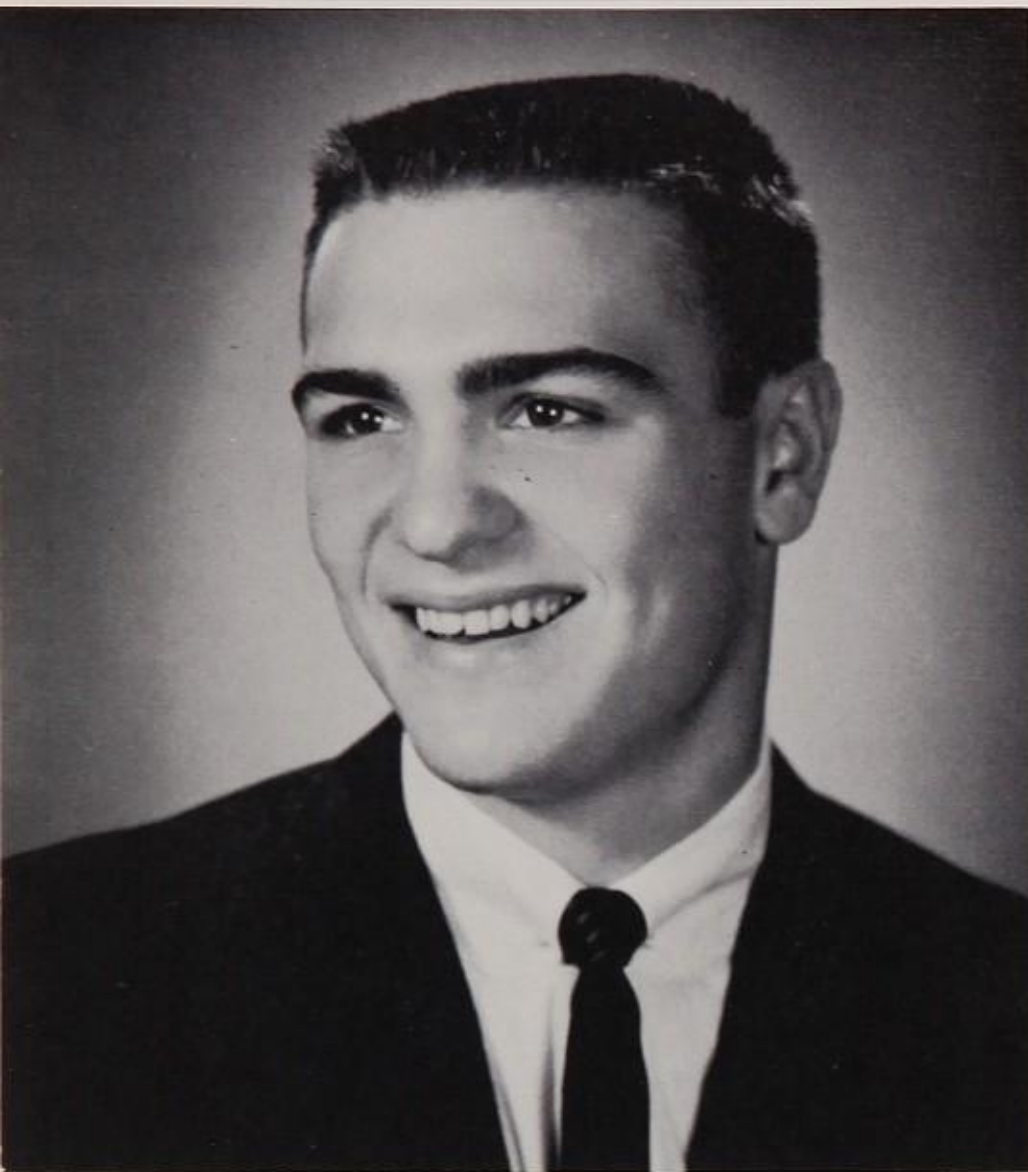

I gained much from my term in office, but a tremendous amount of respect for all the people involved in the task of keeping Beverly running as effectively and efficiently as it does tops the list.

I hope all of you will realize, as I have, that attending Beverly constitutes more of a privilege than an obligation; and that this privilege should be taken advantage of to the greatest extent possible. Your attitude, too, means a lot; and a good attitude is always advantageous. I'd like to take this, my final opportunity, to "speak" to you, to wish you all the success and the best of everything in the future.

The spring semester of 1959 proved a great experience for me; I hope it's been equally as great for you.

BOYS' LEAGUE

This spring the Boys' League sponsored the Bachelors' Ball that was given in the Student Lounge. Trees were purchased for the Boys Town of the West at Chatsworth, and with the Girls' League they co-sponsored the Albion Street clothing drive. Under Head Camera-man Bob Roth and his assistants Ed Klein and Bob Swarthe, the Norman Newsreel, which was exceptionally good this semester, was shown to the student body. The League bought medals and plaques for the Intramural Board for spring intramural sports, and did volunteer work for the Red Cross. The Boys' League was under the guidance of Mr. Steve Miletich.

GIRLS' LEAGUE

"Friendship Turns the World" was the theme of the Girls' League convention which was held at Beverly. At this highlighted event representatives from leagues in Southern California and Arizona discussed their activities. They heard the Panel of Americans which is composed of U.C.L.A. students representing various faiths, and were entertained by Lloyd Bridges and Dean Jones. Other activities during the spring semester were the Albion Street clothing drive, Cotton Day, and the Girls' League Workshop.

SENIOR SPOTLIGHT

In the Senior Spotlight are Barbara Gamble, Most Popular; Jerry Sax, Most Popular and Boy Who Has Done Most for the Class; Karen Orren, Most Likely to Succeed; Bob Kay, Most Likely to Succeed and Boy Who has Done Most for the School; and Gail Sinclair, Girl Who Has Done Most for the School and for the Class.

It's September of our Freshman year. The class of '59 is wide-eyed and wondrous as we wander through the halls of Normandy. While looking for the elevator to the third floor, we find ourselves stumbling over feet of upperclassmen. Participation is the key-note as we join with Sophomores in putting on a great talent show. Also many Freshmen play in the all-school musical success "Salt Water Daffy." Tony Shafton and Byron Lapin lead us well as Freshman class officers.

Our Sophomore year is off with a bang. Bob Kay and John Melnik are our presidents. We enjoy ourselves at a terrific class picnic at Roxbury Park. Again we join with our fellow lowerclassmen, the Freshmen, in a talent show. As Sophomores we see Beverly win Pioneer League championship in football and go on to C.I.F. play-offs.

Here we are—upperclassmen. Ron Rowen, first semester class president, presents our Junior Class Pigskin Prom. We will never forget the Junior Talent Show and the "Short Shorts" number. The highlight of the year is our victory over the Seniors in Senior Day competition. We are the second Junior class in the history of Beverly to beat the Seniors. Jerry Sax leads us in our second semester as Juniors.

SENIOR SAGA

It's our Senior year. We have reached the last and most fun filled year at Beverly. Dave Cowan and Jerry Sax do a terrific job of leading us in our Senior year; also we give a special thanks to our Senior class sponsor Mrs. Eleanor Welch. Our activities—the Senior Play, the again victorious Senior Day, our talent show, Ditch Day, Senior Prom, Baccalaureate, Senior Breakfast, and finally Graduation — will always be remembered by us, the class of 1959.

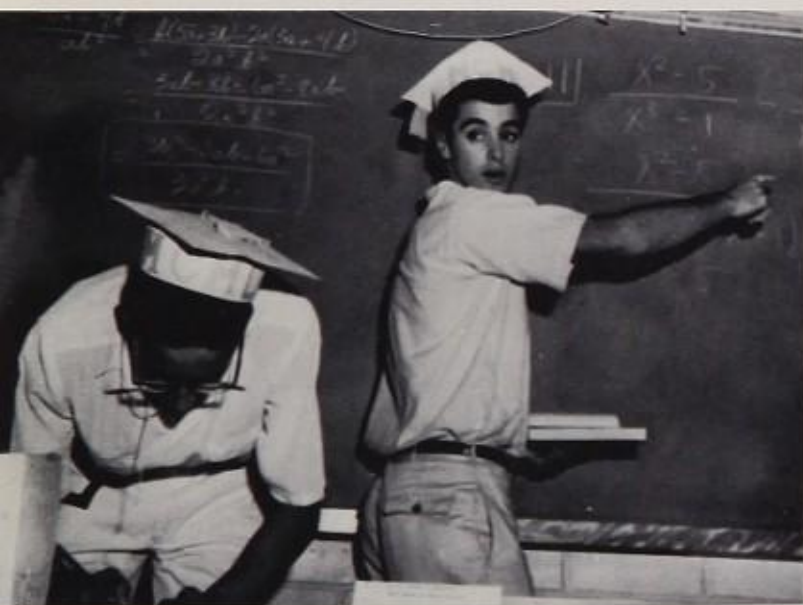

For the second year in a row Beverly's Class of '59 wins Senior Day competition.

SENIORS THROW A T.G.I.O.

ABOVE: Seniors Dick Glanz and Dave Cowan set up for "Thank Goodness It's Over" party.

BELOW: Dave Silver and Anita Schiller serve Ken Soldoff a hot dog.

ABOVE: Barry Herman and Buddy Sachs agree that it's great to be done with finals.

BELOW: Cleaning up after the party are Marilou Bederman, Su Part, Hal Pearson, and Dave Cowan.

The Seniors presented one of the finest talent shows in the history of Beverly. Some of the many stars are shown above.

Sheldon Volk as "Ragtime Cowboy Joe" brought down the house in the Western act.

SENIOR TALENT SHOW

The Calypso group featured dancers Carlos Harrison and Jane Rockford and singer Dave Silver.

Starting the season with a new head coach, a new line coach, and a new offense, King Football once again invaded the Beverly Hills Campus. Employing the U.C.L.A. balanced line single wing offense, the Normans seemed to be headed for a successful year as they tied the Mustangs of Mira Costa in a night game. They then lost their next two games to the exceptionally fine squads of Lennox and Burbank. League play started with a loss to Hawthorne. The Normans then set their sights on Culver City, but when the dust cleared, Beverly had lost to their cross-town rivals. Plagued by injuries which left only five seniors finishing the season, the Beverly gridders limped through their next two games with losses to El Segundo and Morningside. Finishing the season with spirits undaunted, the Beverly Normans fought a hard battle with North Torrance, but were greatly overwhelmed by the Saxons.

B FOOTBALL

The members of the 1958 B Football team did themselves proud as they fought for wins over most of their foes. Though the Beverlyites were young and inexperienced, with only six returning lettermen, they finished the season with a 5-3 record and a third place standing in the Pioneer League play. The Norbabs, using the Oklahoma T formation with modifications, breezed through wins over Mira Costa and Lennox, but the attack slowed down in a tough battle against Burbank which the Norbabs lost. In league play the B's lost their initial game with Hawthorne, but fought back to victories over Culver City, El Segundo, and Morningside. In the final game of the season, the fighting Normans of Beverly suffered an upset by losing to a vastly improved team from North Torrance.

Coach Charles Reilly

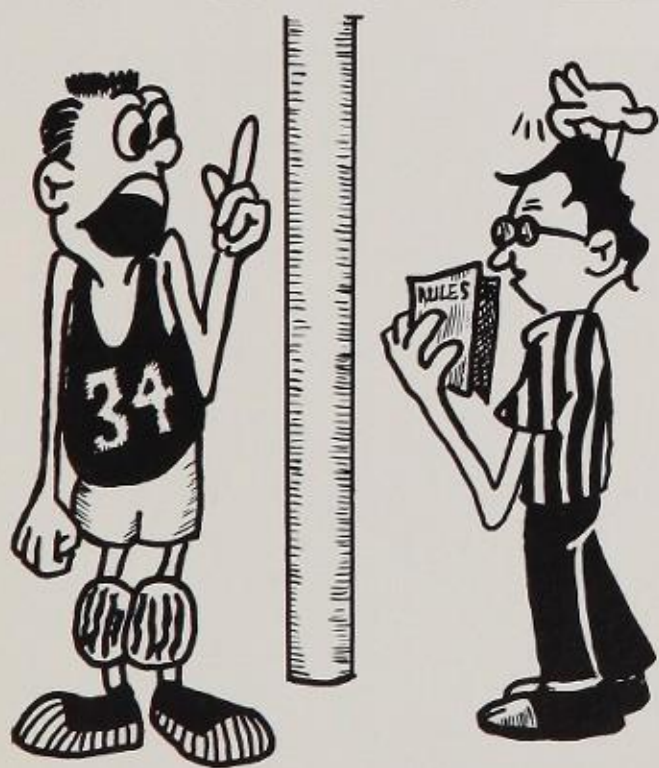

Under the tutelage of Coach Charles Reilly, the Beverly casabamen compiled an excellent record of eighteen wins and six defeats. They also garnered first and fourth places in the San Diego and Beverly Hills Tournaments respectively, and second place standing in the Pioneer League, only to be defeated in the second round of the C.I.F. play-offs by El Monte by four points. The basketballers were paced by Buster Mann, captain, and Byron Lapin. Mann was the second highest scorer in the league and a member of the all-league team. He was also selected for the first and second team in the San Diego and Beverly Hills Tournaments respectively. Byron Lapin was a member of the second league team and was honored by being chosen as first team forward in the San Diego and Beverly Hills Tournaments. Other prominent seniors were Joel Sax, Tony Wilson, and Buzz Webb, while a host of excellent juniors, led by Dave Mohs and Randy Wright, insure another fine season for Beverly next year.

CROSS-COUNTRY

At the beginning of the season the Norman cross-country team looked forward to a good year, but never managed to hit their stride. Led by Coach George Egan and paced by Captain Bob Kaufman and letterman John Beck, the team finished the year with only a fourth place in league competition; but a promising group of lower classmen insured success for the future.

Coach George Egan starts a race between Bob Kaufman, John Byrnes, Steve Fisher, Tom Skouras, Wes Smith, and John Beck.

Composed primarily of freshmen and sophomores, the Varsity Wrestling Team, under the direction of Coach Ben Zane, never managed to reach its potential. The matmen only garnered two wins for the season, both over Harvard. The grapplers also participated in three tournaments, the Pioneer League—Bay-League Novice Tournament, the El Camino Pioneer League—Bay League Tournament, and our own Pioneer League Tournament, which was held at Morningside High. At Morningside, Ricky Sylvester took first place in the 123 pound class. Also making a fine showing by taking fourth place medals were Dick Hershman, 95 pounds; Ron Glazer, 112 pounds; Dick Moss, 127 pounds; and Cyril Edi, heavyweight.

Coach Ben Zane uses Co-Captains Aaron Leibowitz and Harvey Berg to demonstrate a switch.

VARSITY BASEBALL

Coach Hal Sieling and Captain Alan Barry.

With a nucleus of four returning lettermen from last year's second place squad, Coach Hal Sieling's Varsity horsehiders took up this year where they left off in '58. The Normans practice slate was highlighted by wins over Hollywood (7-1), Harvard (12-2) and Buster Mann's sparkling no-hitter against Aviation. Led by All-League shortstop, Marty Jacobson, and a host of Orange and White sluggers, Beverly got off to a flying start in Pioneer loop play as they swept their first three contests. Battling Morningside to break their first-place tie, the Normans were derailed 6-1, but the league's triple-round system promised another pair of thrilling encounters between the two front-running squads.

Coaches Chris Flanagan and George Egan.

Led by Coaches Chris Flanagan and George H. Egan, the 1959 cindermen spent many hours on the track trying to rebuild the remains of past glories. The only two returning lettermen this season were Tom Bath, a versatile boy who would participate in the sprints, hurdles, middle distances, and broad jumps whenever needed, and Charles Rose, a promising pole vaulter. From the lower ranks, the B's and C's gave to the Varsity Steve Fisher, a speedy man in the sprints and 440. John Beck, mile ace and Roger Rhoads, pole vaulter extraordinary. Byron Lapin, who takes to the air in the broad jump and the high jump, and Mike Rosenfeld, a hefty shot putter, also added extra strength to a suffering, but valiant team.

Swimming Coach Walt Puffer with Varsity Captain Alan Engelberg, B Captain Stephen Kern and C Captain Billy Koskoff.

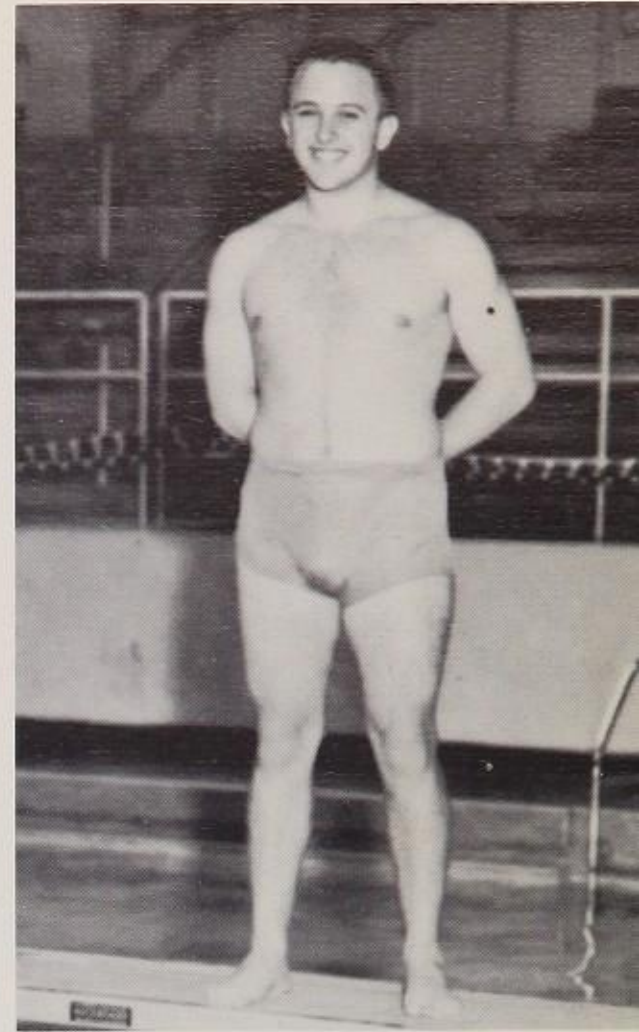

Led by Coach Walt Puffer, a small Beverly Swim Team proved that good things come in small packages. They started the season by taking the C.I.F. Relays and then went on to take the Beverly Hills Invitational Swim Meet. The team was led early in the season by Jerry Sax, freestyle; Julian Marx, breast-stroke Alan Engleberg, butterfly; and David Bennett, back-stroke and individual medley. This power packed team went on to rewrite the Beverly record book and also changed a few of the league records besides posting All-American times in the four man medley relay and the four man freestyle relay.

Captain Brad Ogle

Under the watchful eye of Coach Joe Sabol, the Norman tennis team drilled daily in preparation for their frequent matches. Competition was so keen on the squad itself that men on the lower half of the ladder compared favorably with the top players of other schools. With the exception of University High, top team in City competition, and the U.C.L.A. Frosh, our netmen had little difficulty in its successful season thus far, and the chances look good for a league championship when this book went to press.

Active under the guidance of Fall President Jeryl Sternad, the G.A.A. officers planned the annual girl-invite-boy dance, titled "Rhythm In Red". Another G.A.A. sponsored event was the Aquacade, an effort of the combined talents of the Terpsichoreans and the Girls' Swim Team. This program was performed for the entertainment of the Audio-Visual Conference of California.

G.A.A. membership is attained by receiving either an "A" or a "B" average in physical education. A candidate must also give time to the organization by participating in after-school sports.
